MEMORIAL
SPORTING CLAYS
Classic
Gabe Magnotta

Magnotta Winery had a great turnout on Sunday, September 12th when over 80 avid sportsmen gathered for the first annual *Gabe Magnotta Memorial Sporting Clays Classic* in support of the Canadian Lyme Disease Foundation.

The event raised a combined total of

\$9,420

from registration fees, raffle ticket sales and private donations so everyone is extremely pleased with the results.

Gabe's courageous battle with Lyme disease will be honoured each year through this annual shoot in memory of his love of the great outdoors. The objective is to help raise awareness of Lyme disease and raise funds to build Canada's first Lyme disease research and testing facility.
